

Creating a solid foundation for agility  
and efficiency in  
the Indian financial services industry  
through **TCS B@NCS**.

**That's certainty**

Transforming financial services and building solid customer relationships requires a culture of trust. And that is precisely what Tata Consultancy Services (TCS) has been aspiring to—and delivering—through TCS B@NCS. TCS's financial services customers in the country include leading retail banks with more than 230 million customers and 40 million transactions per day, and retail and institutional broking firms servicing over a million investors through 1,500-plus trading terminals with a daily turnover of Rs.6,000 crore. Nearly 50 percent of banking transactions and about 25 percent of institutional order flows are routed, traded and settled through our comprehensive suite of solutions. As one of the world's fastest growing technology and business solutions providers, TCS consistently turns in impressive benchmark results and caters to the needs of institutions in micro-finance and co-operative banking, among others. Helping build great infrastructure for the likes of NSE, NSDL, SBI, New India Assurance, Goldman Sachs and Citigroup. And of course, enabling the Indian financial services industry to experience certainty.
