

ST. JAMES WINS TCS IT WIZ

The TCS IT Wiz conducted by Tata Consultancy Services (TCS), received an overwhelming response. It was a packed auditorium with more than 1200 students in Kolkata participating in this year's edition of the TCS IT Wiz - India's largest inter-school IT Quiz, which was conducted at Kala Mandir. After some high level quizzing and a closely fought finals, Vaarnan Drolia & Anurag Sarkar from St. James School walked away with the coveted winners' trophy, along with a laptop each; closely followed by Prithwish Nath & Debkalpa Goswami from National Gem Higher Secondary School as Runners-up who received their trophy along with a digital camera & digital photo frame.

The 6 teams which made it to the regional finals after the written prelims received a travel bag, MP3 players, watches, coffee table books, coffee mugs and T-shirts from TCS, besides gift vouchers from leading hotels in the city. Lenovo and Croma had also sponsored prizes for the event this year. The intense competition among the six teams on stage, the innovative format of the rounds and the interactive style of quizzing by Quizmaster Giri Balasubramaniam aka pickbrain made the Quiz very engrossing.
