TCS to conduct IT quiz for schoolchildren

Staff Reporter

HYDERABAD: Tata Consultancy Services (TCS) is organising the Hyderabad edition of TCS IT Wiz, an inter-school IT quiz on July 29 at Bharatiya Vidya Bhawan, King Koti. The quiz is open to students from class 8 to 12 (including PU students).

There is no entry fee and each institution can send multiple teams with two members in each team.

The winning team in this regional quiz, one of the 12 being conducted through the country, will participate in the national champion tittle with winning teams from other cities.

The quiz will focus on information technology across various sectors like internet, IT buzzwords and acronyms, IT personalities, advertisements of IT and communication companies and history of IT among others.

The written prelims will carry a common set of 20 questions in oral, visual and audiovisual format.
