IT QUIZ

St Paul's English High School secured the first place in the Bangalore edition of Tata Consultancy Services IT Wiz, a quiz competition in which more than 1,100 students from different schools in the city participated. The winners will represent the city in the finals. The quiz included a mix of questions and involved new technology concepts such as software based rounds, gamification and animation. Initially, all the participating teams were asked to answer a set of 20 questions in a written test after which the top six teams were chosen for the final.
