

Accelerating SIS Modernization & Extensibility across the Ellucian Ecosystem

Integration. Data. Experience. Delivered at Scale.

The higher education reality:

Universities today are navigating:

On-prem to SaaS transformation journeys

Legacy integrations that don't scale

Growing data governance and compliance requirements

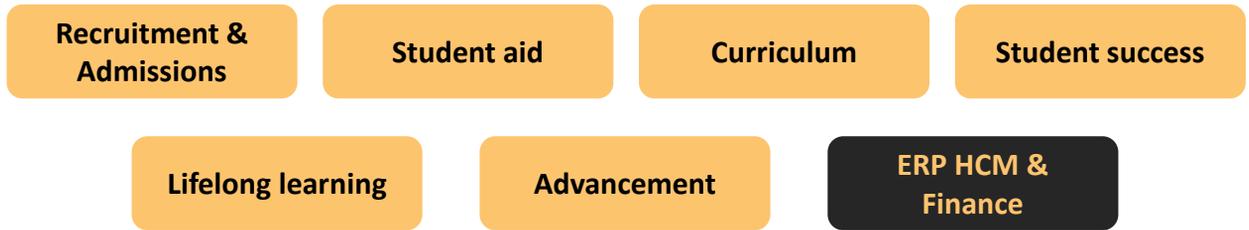

Disconnected faculty and student experiences

Pressure to modernize without operational disruption

TCS helps institutions modernize and extend their Ellucian ecosystem without disrupting governance or scalability.

What we do for higher education institutions

SIS Modernization & SaaS Readiness	Integration, Data & Analytics Enablement	Experience & Extensibility	Program & Change Enablement
<p>Banner Upgrade & Extensibility (Integration-focused)</p> <hr/> <p>Governance aligned extensibility using Ethos and Experience</p> <hr/> <p>Integration alignment during platform upgrades</p>	<p>Ethos-based API integrations</p> <hr/> <p>Productized and reusable integration frameworks</p> <hr/> <p>Real-time & scheduled data pipelines</p> <hr/> <p>Third-party system integrations</p> <hr/> <p>Reporting & Analytics using Ellucian Insights</p>	<p>Experience card development and deployment</p> <hr/> <p>UI/UX enhancements; role-based dashboards</p> <hr/> <p>Faculty & student workflow optimization</p>	<p>Management of multi-year transformation programs</p> <hr/> <p>Testing automation</p> <hr/> <p>Platform enablement workshops</p>

How we deliver

Dedicated TCS Ellucian Centre of Excellence

100+ Ellucian partner badges across Extensibility, Experience, SaaS prescriptive delivery

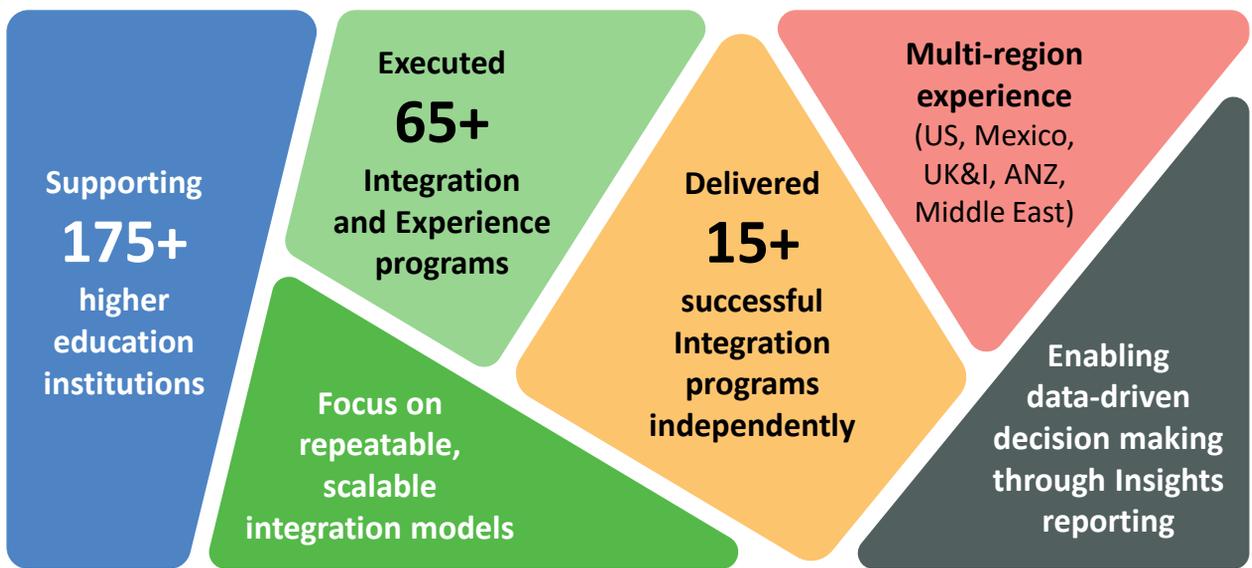

Partner Tier & Track: Service Advantage Partner

Global Delivery at Scale

- Delivery supported through TCS's Global Network Delivery Model™ (GNDM)
- US-aligned engagement leadership
- Distributed teams across India, US and Mexico
- Direct engagement with university stakeholders
- Proven ability to execute end-to-end integration and extensibility programs independently while aligning to Ellucian governance and architecture standards

Impact at Scale

Awards

Awarded Ellucian's Rising Star – Services Partner of the Year Award at Ellucian LIVE 2024
