Commenting on the Q1 performance, Chief Executive Officer and Managing Director, N Chandrasekaran said: “We have delivered another solid quarter, driven by the highest volume growth in the past seven quarters. It has been an all-round performance with strong revenue growth across markets led by the US. Our investments in Europe continue to gain strong traction with customers and helped us deliver industry-leading growth this quarter.”

Mr Chandrasekaran added: “Strong momentum in our business, the right cost structure, a customer-centric approach and our increasing investments in new digital solutions and services positions us well to post another year of strong business growth.”

Rajesh Gopinathan, Chief Financial Officer, said: “The current environment demands an agile operating model that can capture diverse growth opportunities. We continue to execute to plan and invest for growth, while maintaining stability in our margin profile.”

Growth in Q1 was holistic. Growth was seen across all industry segments led by Life Sciences, Retail, Telecom and BFSI. There was balanced growth across IT and other service lines led by Assurance, EiS, Global Consulting and Asset Leveraged Solutions. Major markets grew smartly led by USA, Europe and UK alongside growth in emerging markets like Latin America and Asia Pacific.

During the quarter, TCS closed the acquisition of Alti, one of the top 5 system integrators of SAP solutions in France with several top French corporations in the banking, financial services, luxury, manufacturing and utilities sectors as its key customers.
