Indian Bank selected as Celent's Model Bank of the year – 2009

"Indian Bank chose TCS BaNCS to create a state-of-the-art core system with business workflow, rules-based routing, electronic transactions, and cash management services. Because Indian Bank has entirely scrapped their legacy systems, the bank is able to jump to a state-of-the-art infrastructure with increased back office and IT efficiency and a broader product offering.”

- Bart Narter, Senior Vice President, Banking Group, Celent, July, 2009
