The funds borrowed, if any, from banks and financial institutions will not be used for purpose of the Buyback.

e. Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis, through the "Tender Offer" route, as prescribed under the Buyback Regulations, to the extent permissible, and the "Mechanism for acquisition of shares through Stock Exchanges " as prescribed under the SEBI Circulars. The Buyback will be implemented in accordance with the Act read with the rules framed thereunder, the Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date ("**Record Date**") for determining the names of the Members holding Equity Shares of the Company who will be eligible to participate in the Buyback ("**Eligible Shareholder(s)**"). Consequent to the approval of the Buyback, Eligible Shareholders will receive a Letter of Offer along with a Tender/Offer Form indicating their entitlement.

The Equity Shares to be bought back is divided in two categories:

- i. Reserved category for small shareholders; and
- ii. General category for all other shareholders.

As defined in Regulation 2(i)(n) of the Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price of shares on Stock Exchanges having highest trading volume as on the Record Date, of not more than ₹2,00,000 (Rupees two lakh only).

In accordance with Regulation 6 of the Buyback Regulations, 15% (Fifteen percent) of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.

Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of

Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs.

In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the equity shares held by such shareholders with a common Permanent Account Number (PAN) for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical.

Shareholders' participation in Buyback will be voluntary. Eligible Shareholder(s) holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholder(s) holding Equity Shares of the Company may also accept a part of their entitlement.
