- ii. Premium of 18.21% and 18.19% over the closing price of the Equity Share on BSE and NSE, respectively, as on Thursday, January 6, 2022, which is a day preceding the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buyback.

d. Maximum amount required for Buyback, its percentage of the total paid-up capital and free reserves and sources of funds from which Buyback would be financed

The maximum amount required for Buyback will not exceed ₹18,000 crore (Rupees eighteen thousand crore only) excluding transaction costs, applicable taxes and other incidental and related expenses. The said amount works out to 21.03% and 19.06% of the aggregate fully paid-up share capital and free reserves as per audited condensed standalone interim financial statements and audited condensed consolidated interim financial statements of the Company as on December 31, 2021, respectively, which is within the prescribed limit of 25%.

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company (retained earnings) and/or such other source as may be permitted by the Buyback Regulations or the Act.

The Company shall transfer from its free reserves, a sum equal to the nominal value of the Equity shares so bought back to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited financial statements.

The funds borrowed, if any, from banks and financial institutions will not be used for purpose of the Buyback.

e. Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis, through the "Tender Offer" route, as prescribed under the Buyback Regulations, to the extent permissible, and the "Mechanism for acquisition of shares through Stock Exchanges" as prescribed under the SEBI Circulars. The Buyback will be implemented in accordance with the Act read with the rules framed thereunder, the Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date ("Record Date") for determining the names of the Members holding Equity Shares of the Company who will be eligible to participate in the Buyback ("Eligible Shareholder(s)"). Consequent to the approval of the Buyback, Eligible Shareholders will receive a Letter of Offer along with a Tender/Offer Form indicating their entitlement.

The Equity Shares to be bought back is divided in two categories:

- i. Reserved category for small shareholders; and
- ii. General category for all other shareholders.

As defined in Regulation 2(i)(n) of the Buyback Regulations, a "small shareholder" is a shareholder who holds Equity Shares having market value, based on closing price of shares on Stock Exchanges having highest trading volume as on the Record Date, of not more than ₹2,00,000 (Rupees two lakh only).

In accordance with Regulation 6 of the Buyback Regulations, 15% (Fifteen percent) of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.

Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs.

In accordance with Regulation 9(ix) of the Buyback Regulations, to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical.

Shareholders' participation in Buyback will be voluntary. Eligible Shareholder(s) holding Equity Shares can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholder(s) holding Equity Shares may also accept a part of their entitlement. Eligible Shareholder(s) holding Equity Shares also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.

The Equity Shares tendered as per the entitlement by Eligible Shareholder(s) holding Equity Shares as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting" notified by SEBI Circulars.

Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent to the Eligible Shareholder(s).

f. Time limit for completing the Buyback
