The Buyback will be implemented in accordance with the Act, Rules, to the extent applicable, the Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date ("**Record Date**") for determining the names of the Members holding Equity Shares of the Company who will be eligible to participate in the Buyback ("**Eligible Shareholder(s)**"). Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs.

Shareholders' participation in Buyback will be voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.
